Let's go!

Step 1 | Time to implement

Source1-Sysco program pricing for NICA locations will be **effective January 1, 2013**.

Source1 will provide each NICA Member with:

- **Let's Get Started** | How the NICA Program works and the setup to get started
- **Source1 + Sysco Contact Information** | Your Team for any questions or assistance
- **Product Guide** | Listings of Source1 contracted items sourced through Sysco distribution

Information will be communicated to NICA Members via a custom website.

Next step, **Distributor Set-up and initial startup...**

Let's go!

Step 2 | Setting up Sysco + Initial Startup

Participating NICA Members will be connected to the Program with a new Source1-Sysco account number (SCREAMER) and notified regarding the “START DATE” of January 1, 2013 to access contract pricing.

Existing Sysco NICA Member customers will:

- Complete required customer paperwork
- Receive a new Source1-Sysco account number
- Experience no changes or disruption to the way they do business with Sysco
- Sysco will coordinate delivery days & times, as usual
- Sysco will assist Members in updating their order guide (to take advantage of contracts)

NEW Sysco NICA Member customers will:

- Complete New customer paperwork (credit application, if applicable)
- Meet their local Sysco Account Contact to review current purchases and understand purchasing needs (i.e. Calendar of events, understand proprietary items & special order items, delivery logistics)
- Establish delivery days and custom order guides

Let's go!

Step 2 | Setting up Sysco + Initial Startup

Place your orders through Sysco. Your Sysco Account Contact will facilitate the order process with you.

During the initial Start-up period...

- Sysco will work with the NICA Member to align operator's requirements in a Sysco Order Guide to take advantage of contracted items
- Source1 will communicate Product Guides with contracted items listed
- Source 1 will identify non-food and equipment opportunities with Preferred Partners utilizing the National Contracts available

Next step, **Start saving on Day 1** through Sysco distribution.

Let's go!

It's easy | Contract items are **identified** on NICA Product Guide

How to | Reduce costs + Add Value

Driving value to your Member is job1.

- **Accessing Contract Pricing on Day 1** and it will be reflected on both the Sysco invoices for your Member and then summarized in the Deviated Savings Report (quarterly) that lists the value of the Deviated Contracted received through Sysco Primary Distribution.
- **Exact Matches & Quick Wins** will be incorporated into your initial Sysco Distributor Order Guide. These include beverage, frozen, bakery, dairy, eggs, juices, coffee, paper items, etc.
- **Reviewing the Compliance Report** from Customer Relations on the number of contracted items being purchased...The more contracted items purchased, the greater the savings opportunity.
- **Reviewing the latest** contracted programs & items distributed.

Let's go!

It's easy | Non-Food & Equipment Program Connection + Transition

Upon approval of Non-Food & Equipment programs (outside of Sysco distribution)

- If you are currently dealing with one of the service companies, Members may continue as before, making note of any transition requirements outlined.
- If you are a new account for any of the service companies, credit applications may be required to activate new accounts.
- **Contracts** | If a Member has an existing service contract with another company, please advise Source1 and the new service company when your contract expires and is available for review.
- **Service Agreements** | If you are in the process of negotiating a service agreement that is not yet finalized or you do not see covered, please contact your Source1 offices for direction.

Questions? Contact Source1 at NICA@Source1Purchasing.com

- ❖ Your Source1 Account Manager will communicate details and set-up your Non-Food & Equipment Programs directly with the operation.

The screenshot shows the NICA Sysco Marketplace Custom Portal homepage. At the top left is the NICA logo (National Independent Concessionaires Association). To the right of the logo is a navigation menu with links for Home, My Operation, Suppliers, Market News, Order, and Account Support. Below the navigation is a large hero image featuring a red and white striped popcorn bucket on the left and a large submarine sandwich on the right. A dark grey text box is overlaid on the bottom left of the hero image, containing the text: "Great Products, Easy Ordering" followed by "450+ premium brands with over 6,000 items in food, beverage and supplies with discounted, pre-negotiated pricing... the products and services you use every day." Below the hero image is a white footer area with three columns. The first column has a "Login" button with a right-pointing arrow. The second column is titled "1 Getting started" and contains the text: "We know you're busy. So we made the transition process easy for you." The third column is titled "2 Order" and contains the text: "When you're ready to order, you'll find all your suppliers at your fingertips." The fourth column is titled "3 Need Help?" and contains the text: "Service is job1 for your team. We're ready to help."
