

# Steritech®

**Steritech is an entegra Preferred Partner for pest control.** For health-savvy consumers, the presence of pests implies unsanitary conditions, damaging guest confidence and your brand. Steritech's Zero Tolerance® Pest Prevention Program uses innovative products and treatment methods, eliminating cockroaches, rats, mice and many species of ants within 45 days. Additional coverage is available for flies, bed bugs and birds.

## ADVANTAGES & BENEFITS

**The Steritech Team is trained to provide world-class service with genuine care and concern.**

- Zero Tolerance® is the new benchmark in pest prevention - and you'll only find it with Steritech.
- Steritech's proprietary EcoSensitive® System enables the elimination of pests without unnecessarily applying or overusing pesticides, the perfect complement for organizations interested in LEED or sustainability initiatives.
- With Steritech's SleepEasy® Bed Bug Program you can say goodnight to bed bugs in as little as 24 hours. Their SleepEasy Thermal Chamber safely and discreetly eliminates bed bugs using high heat, an effective method for all life stages.
- Steritech's Quantum Fly Service is a multi-pronged program for both large and small flies.

## GETTING STARTED

**To request a free evaluation of your facility or to implement a Steritech Zero Tolerance Pest Prevention Program, please contact:**

Steve Justice  
Steritech VP, National Accounts  
321 287 8929  
[steve.justice@steritech.com](mailto:steve.justice@steritech.com)

Please note that you will need your entegra Account Number to set up an account. If you do not know what your entegra Account Number is please contact your entegra Account Support Manager.

## CUSTOMER SERVICE

Steritech's Customer Care Center, based at the company's Corporate Office in Charlotte, NC, is available 24 hours a day, 7 days a week at 800 868 0089.

## STERITECH'S ONBRAND® MOBILE TECHNOLOGY CLIENT PORTAL REPORTING SITE

Steritech's online reporting suite gives you the ability to validate and verify all elements of your pest prevention program throughout your organization. With a wide range of reports, such as corrective actions, pest activity, trends and pesticide usage, you can configure the data you need for your documentation. Utilizing the Client Portal's eAlert function, monthly reports can be e-mailed to you or notifications can be sent to you based on a variety of triggers.

All clients are given a user name and password, and can access data via the login on [www.steritech.com](http://www.steritech.com).
