Source1-Entegra Program Job Account Tracking SHERWIN WILLIAMS TRACKING PROCEDURES

Working with a Painting Contractor and want them to have access to your Sherwin Williams pricing and discounts for your job? Activate the Source1-Entegra Program Job Account Tracking.

When a painting contractor is selected, and a contractor is purchasing the paint, please follow these procedures:

Please instruct the contractor to contact their local Sherwin Williams Sales Representative and/or the local Sherwin Williams store where the paint will be purchased, and ask the Rep or store to open a "Job Account" titled **Entegra-"Facility Name"**, then,

E-mail Mike Foster (mike.foster@sherwin.com) with the following:

1. Facility Name and the Entegra Unit Number (Email your Source1 Account support to obtain your Entegra Unit Number: ClientServices@Source1Purchasing.com)
2. Property Address and Telephone Number
3. Facility Contact Person and E Mail Address
4. Painters Company Name and SW Account Number (If there is one) and Job account number
5. Painters Contact Person, Telephone Number and E Mail
6. Approximate Start Date of Job

These procedures must precede the start of any painting. We cannot open a job account to track purchases after the job has started or after the job is completed.

If you have any questions for need assistance, contact:
