

Dear NICA Member:

The NICA Board is focused on education, revenue stability, being an important voice in our great industry, membership growth and adding benefits. One of our benefits has expanded to become the **NICA Sysco Marketplace**, a purchasing co-op program just for our members.

This buying program gives you purchasing power that improves your bottom line. Managed by the buying group Source1 Purchasing and Entegra, the program offers solutions for companies of all sizes that face the same challenges – limited resources and ever-increasing costs. The NICA Sysco Marketplace is a resource that focuses on your challenges and provides better options for food, beverages, equipment and supply needs.

- **Easy to enroll**

It's easy to get started. Simply visit [nica.source1purchasing.com](http://nica.source1purchasing.com) and follow the Enrollment Instructions. There are no fees. There is no minimum.

- **Easy to access**

Once you complete the enrollment, you will have 24/7 access to contracted prices, over 6000 products, industry trends and support.

- **Easy to save**

Time and money with centralized inventory and invoicing.

Join your fellow NICA members to see how to buy products at lower costs and have better control with 24/7 access via your NICA Sysco Marketplace website. To speak directly with a representative from your Marketplace, call 855.888.6422 and talk to David. He and his team is experienced and eager to assist NICA members.

It is our goal to bring you new ways to be more successful. We invite you to take advantage of the new NICA Sysco Marketplace.

Sincerely,
