

Experts at Protecting & Enhancing Your Brand

The Ambius Difference: As the world's largest interior landscaping company Ambius is the premier creator of ambience. We lead the industry by thinking globally and operating locally. Ambius expert designers customize your interior spaces using our industry leading services including:

- 🌿 **INTERIOR LANDSCAPING** – We design, install and service a wide range of stunning plant displays and landscaping to suit any interior environment. Studies show that well designed interiors increase occupancy length of stay and customer loyalty. This means bottom line profitability.
- 🌿 **LIVING GREEN WALLS** – At the cutting edge of green design, Ambius is a certified specifier, installer and service provider for several types of Living Green Walls suitable for any space. Living Green Walls conserve energy, reduce noise levels and contribute to LEED credits.
- 🌿 **HOLIDAY DÉCOR** – We create stunning displays for every season and budget with flowers, plants, garland, holiday-specific props and premium scenting. With Ambius, you can relax and enjoy hassle-free installation and off-season storage.
- 🌿 **PREMIUM SCENTING** – Using the latest in scenting technology, Ambius can show you how to take advantage of the most powerful sense to make a real difference in your brand with personalized ambient scenting and odor remediation solutions. A LEED enabler, Ambius Premium Scenting is ecologically friendly and safe.
- 🌿 **ACOUSTIC/ CORPORATE ART** – Our designers will work with you to create an inviting atmosphere with artwork that can have the added benefit of reducing noise.
- 🌿 **BLOOMING PROGRAMS** – Enjoy beautiful flowering plants all year round with our rotation program.
- 🌿 **FLORAL DESIGN** – Ambius offers an online solution for all your floral and gift needs. We also offer a Floral Arrangement Program for regular deliveries.
