

ENGINEERING THE RIGHT SOLUTIONS

Sherwin-Williams is an Entegra-approved supplier for the following products:

- ▶ Wide range of high performance coating systems for walls, floors, roofs and concrete surfaces
- ▶ The most green coating solutions from zero to low VOC, minimal odor paints and mildew and stain-resistant finishes
- ▶ Heavy-duty floor coatings and decorative systems including terrazzo
- ▶ Wallcovering collections in popular styles and colors
- ▶ Wide selection of flooring including carpet, vinyl, tile, ceramic and laminates — plus fast, professional installation
- ▶ Applicators, tools and equipment for all maintenance painting needs

Follow the steps below to access the program and pricing:

1. Contact Don Duttine at donald.w.duttine@sherwin.com or 703-929-6487.
2. Identify yourself as an “Entegra Program Participant.”
3. Please provide the following information:

- | | | |
|-------------------------|--------------------------|------------------------|
| ▶ Unit Name | ▶ Ship To Address | ▶ Phone Number |
| ▶ Unit ID Number | ▶ Contact Name | ▶ Email Address |

Sherwin-Williams will look up your existing account number* or make arrangements to have a new account set up. We will provide the local Sherwin-Williams store with information for processing orders.

*Facilities with existing accounts belonging to existing Sherwin-Williams programs must complete and submit an Entegra authorization form.
